ZONING COMMISSION

**ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA  
NOTICE OF EMERGENCY RULEMAKING  
and  
ZONING COMMISSION ORDER NO. 02-15  
Case No. 02-15TA  
(Text Amendment – Providing Matter-of-Right Use in the R-1 Zone District  
for Public Park and Recreational Uses -- 11 DCMR)**

The Zoning Commission for the District of Columbia, pursuant to the authority set forth in section 1 of the Zoning Act of 1938, approved June 20, 1938 (52 Stat. 797, 799; D.C. Official Code § 6-641.01), and section 6(c) of the District of Columbia Administrative Procedure Act, approved October 21, 1968 (82 Stat. 1206; D.C. Official Code § 2-505(c)), hereby gives notice of the adoption, on an emergency basis, of amendments to Chapters 2 and 4, of the Zoning Regulations (11 DCMR). This emergency rule was adopted by the Commission at its public meeting on February 11, 2002, and became effective on that date. The rule established a matter of right provision to allow public parks and recreational uses and public community centers in R-1 and less restrictive districts. This emergency rule will expire on June 11, 2002 (the 120<sup>th</sup> day after the adoption of this first rule), or upon publication of a Notice of Final Rulemaking in the D.C. Register, whichever occurs first.

This action is being taken on an emergency basis because there is no existing use category for public recreation facilities or public community centers in the Zoning Regulations. In the absence of a Zoning Regulation providing for this matter-of-right use, there is no mechanism to allow the existing uses to obtain necessary permits to ensure maintenance and upkeep of the existing facilities or allow for the expansion or construction of new facilities as planned. Normal rulemaking procedures cannot be completed in sufficient time to adequately safeguard the public welfare and would result in significant delay and substantial public cost.
