Hereafter, these properties shall be referred to as the “Subject Properties.” They are located in Ward 8, south of the Anacostia River, east of the Potomac River, north of Southern Avenue, and generally west of Good Hope Road / 25<sup>th</sup> Street, S.E.

The purpose of this rezoning is to adopt zoning designations for the Subject Properties that are not inconsistent with the Comprehensive Plan for the National Capital: District Elements (“Comprehensive Plan”), adopted through the Comprehensive Plan Amendment Act of 2006, effective March 8, 2007 (D.C. Law 16-300), and more consistent with prevailing neighborhood character.

A Notice of Proposed Rulemaking was published in the *D.C. Register* on September 19, 2008, at 55 *DCR* 9873. The Commission took final action to adopt the amendments at a public meeting on October 20, 2008. This final rulemaking is effective upon publication in the *D.C. Register*.

### **Setdown Proceeding**

The Office of Planning (“OP”) initiated this rulemaking by filing a report dated May 2, 2008 with the Commission. The OP report recommended rezoning certain properties in Ward 8 from R-5-A to the R-2, R-3, and R-4 Zone Districts to better ensure that new development is more consistent with the prevailing character of surrounding neighborhoods.

At its regularly scheduled public meeting on May 12, 2008, the Commission considered the petition, and set the case down for a public hearing as a rulemaking case. The Zoning Commission published a notice of public hearing in the *D.C. Register* on June 13, 2008 at 55 *DCR* 6445.

### **Public Hearing**

The Commission held a properly noticed public hearing on July 28, 2008 to consider the case.

OP, through a written report submitted into the record and verbal testimony at the hearing, testified in support of the map amendments. OP stated that it studied the areas in Ward 8 currently zoned R-5-A, and found areas where the existing housing types were not consistent with the zoning. OP noted that the R-5-A zoning in these areas could result in development that is inconsistent with Comprehensive Plan policies, and different from the prevailing character and development patterns of the neighborhood. OP stated that it recommended rezoning the Subject Properties to the R-2, R-3, or R-4 Zone District, depending on the prevailing character of the neighborhood and to be consistent with the Comprehensive Plan.

### **Relationship to the Comprehensive Plan**

The map amendments are not inconsistent with the Comprehensive Plan. The Comprehensive Plan includes specific references to changing the R-5-A zoning in Wards 7 and 8 where that would permit new development that is inconsistent with prevailing development patterns. The Future Land-Use Map of the Comprehensive Plan designates the Subject Properties for low to moderate density residential development, and the proposed map amendments from R-5-A zoning to the R-2, R-3, or R-4 Zone Districts conform with those designations.

### **Great Weight to the Advisory Neighborhood Commission (“ANC”)**

The Commission is required under D.C. Official Code § 1-309.10(d) to give great weight to the affected ANC's written recommendation. None of the affected ANCs were represented at the public hearing, and none provided a written recommendation.

**Proposed Action**

Immediately following the public hearing on July 28, 2008, the Commission unanimously took proposed action to approve the map amendment.

The Notice of Proposed Rulemaking was published in the *D.C. Register* on September 19, 2008 at 55 DCR 9873 for a 30-day notice and comment period. No comments were received.

The proposed rulemaking also was referred to NCPC under the terms of § 492 of the District of Columbia Charter. NCPC by report dated August 29, 2008, commented that the proposed text amendment would not adversely affect the identified federal interests.

The Office of the Attorney General has determined that this rulemaking meets its standards of legal sufficiency.

**Final Action**

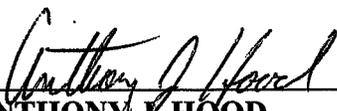

At its regularly scheduled public meeting of October 20, 2008, the Commission took final action to approve this amendment to the Zoning Map.

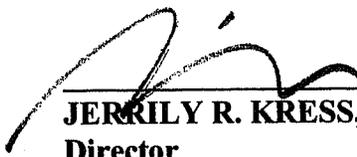

Based on the above, the Commission finds that the proposed amendment to the Zoning Map is in the best interests of the District of Columbia, consistent with the intent and purpose of the Zoning Act and Zoning Regulations, and not inconsistent with the Comprehensive Plan.

Vote of the Zoning Commission taken at the conclusion of the public hearing on July 28, 2008 to **APPROVE** the proposed rulemaking: **5-0-0** (Anthony J. Hood, Michael G. Turnbull, Gregory N. Jeffries, Curtis L. Etherly, Jr., and Peter G. May to approve).

Vote of the Zoning Commission taken at a regularly scheduled public meeting on October 20, 2008 to **ADOPT** the final rulemaking: **4-0-0** (Anthony J. Hood, Michael G. Turnbull, Gregory N. Jeffries, and Peter G. May to adopt; Curtis L. Etherly, Jr., not present, not voting).

In accordance with the provisions of 11 DCMR § 3028.9, this Order shall become effective upon publication in the *D.C. Register*, on NOV 14 2008.
