

Before the Board of Zoning Adjustment, D. C.

PUBLIC HEARING - April 14, 1971

Appeal No. 10731 Richard N. and Muriel D. Wolfe, appellants.

THE ZONING ADMINISTRATOR OF THE DISTRICT OF COLUMBIA, appellee.

On motion duly made, seconded and unanimously carried, the following Order of the Board was entered at the meeting of April 20, 1971.

ORDERED:

That the appeal for variance from the lot occupancy requirements of R-4 District to permit erection of private garage at 146 - 11th Street, SE., lot 27, square 989, be granted.

FINDINGS OF FACT:

1. Subject property is located in a R-4 District.
2. The property is improved with a single family dwelling with a private garage.
3. There was no opposition registered at the Public Hearing as to the granting of this appeal.

OPINION:

We are of the opinion that appellant has proven hardship within in the meaning of the variance clause of the Zoning Regulations and that a denial of the requested relief will result in peculiar and exceptional practical difficulties and undue hardship upon the owner.

Further, we hold that the requested relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose and integrity of the zone plan as embodied in the Zoning Regulations and Map.

Appeal No. 10731
