

Before the Board of Zoning Adjustment, D. C.

PUBLIC HEARING - December 8, 1971

Appeal No. 10989 Standard Properties, Inc., appellant

THE ZONING ADMINISTRATOR OF THE DISTRICT OF COLUMBIA, appellee.

On motion duly made, seconded and unanimously carried, the following Order of the Board was entered at the meeting of December 14, 1971.

EFFECTIVE DATE OF ORDER - May 12, 1972

ORDERED:

That the appeal of Standard Properties, Inc. for permission to continue parking lot for five (5) years at 5500 Mac Arthur Boulevard, N. W., lot 815 and part of 814, Square 1445, be granted conditionally.

FINDINGS OF FACT:

1. The subject property is located in an R-1-B and a C-1 District.
2. The property is presently used as a parking lot which was granted by BZA Appeal No. 8927.
3. The parking lot is used for customers and employees of Standard Properties, Inc.
4. The property is split-zoned with the commercial side containing an office building.
5. The office building contains offices for appellant on the second floor and two beauty shops on the first floor and plumbing underneath.
6. There was no objection to the granting of this appeal registered at the public hearing.

OPINION:

We are of the opinion that the continuance of this parking lot will not create any dangerous or otherwise objectionable traffic condition. The present character and future development of the

neighborhood will not be adversely affected. The lot is reasonably necessary and convenient to other uses in the vicinity.

This Order shall be subject to the following conditions:

a. Permit shall issue for a period of five (5) years but shall be subject to renewal in the discretion of the Board upon the filing of a new appeal in the manner prescribed by the Zoning Regulations.

b. All areas devoted to driveways, access lanes, and parking areas shall be maintained with a paving of material forming an all-weather impervious surface.

c. An eight (8) inch coping shall be erected and maintained along each side of all driveways to protect the public space.

d. Bumper stops shall be erected and maintained for the protection of all adjoining buildings.

e. No vehicle or any part thereof shall be permitted to project over any lot or building line or on or over the public space.

f. All parts of the lot shall be kept free of refuse or debris and shall be paved or landscaped. Landscaping shall be maintained in a healthy growing condition and in a neat and orderly appearance.

g. No other use shall be conducted from or upon the premises and no structure other than an attendant's shelter shall be erected or used upon the premises unless such use or structure is otherwise permitted in the zoning district in which the parking lot is located.

h. Any lighting used to illuminate the parking lot or its accessory building shall be so arranged that all direct rays of such lighting are confined to the surface of the parking lot.
