CONCLUSIONS OF LAW AND OPINION:

Based on the above Findings of Fact, the evidence of record, and the applicant's compliance with this Board's previous Order 12166, the Board is of the opinion that the continuation of this parking facility will not create any dangerous or otherwise objectionable traffic conditions. The Board further concludes that this lot is reasonably necessary and convenient to other uses in the vicinity. The Board is of the opinion that the present character and future development of the neighborhood will not be adversely affected. It is therefore ORDERED that this application is hereby GRANTED for a period of TWO YEARS subject to the following CONDITIONS:

- a. Approval shall be for a period of TWO YEARS, which may be renewed at the discretion of the Board upon the filing of a proper application.

- e. No vehicle or any part thereof shall be permitted to project over any lot or building line or on or over the public space.
- f. All parts of the lot shall be kept free of refuse or debris and shall be paved or landscaped. Landscaping shall be maintained in a healthy growing condition and in a neat and orderly appearance.

- g. No other use shall be conducted from or upon the premises and no structure other than an attendant's shelter shall be erected or used upon the premises unless such use or structure is otherwise permitted in the zoning district in which the parking lot is located.
- h. Any lighting used to illuminate the parking lot or its accessory building shall be so arranged that all direct rays of such lighting are confined to the surface of the parking lot.
