

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Application No. 14148, of Abraham and Irving Fogel, pursuant to Sub-section 8207.2 of the Zoning Regulations, for a special exception under Paragraph 3104.44 to use the subject site as a parking lot in an R-4 District at premises 331-335 Eye Street, N.E., (Square 776, Lots 807, 808 and 809).

HEARING DATE: June 20, 1984
DECISION DATE: November 7, 1984

ORDER

The subject application was originally scheduled for the public hearing of June 20, 1984. At that public hearing, the application was continued because the record evidenced that the list of property owners within 200 feet was incomplete. The applicant was advised to submit a complete list. No such evidence has been received to date. By letter of July 16, 1984, the applicant was advised to inform the Zoning Secretariat of the status of the application. No response was received to that letter. By certified mail dated September 20, 1984, the applicant was advised to submit the requested list of property owners within ten days of receipt of the letter and if the list were not received, the staff would request a dismissal of the application. The return receipt was received on September 24, 1984, at the office of the Zoning Secretariat. No response has been received from the applicant. Upon request of the staff, the Board determined that the application should be DISMISSED for failure of prosecution.

Upon consideration of the foregoing facts, it is hereby ORDERED that the application is DISMISSED for failure of prosecution.

VOTE: 5-0 (Douglas J. Patton, Charles R. Norris, Maybelle T. Bennett, Carrie L. Thornhill and William F. McIntosh to dismiss).
