

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Application No. 14697 of Moon Hee Park, pursuant to 11 DCMR 3108.1 and 3107.2, for a special exception under Section 2003 to change a nonconforming use, first floor, from retail drugstore and restaurant, no seats, pre-packaged food, only to a restaurant/carryout, seating 16, or in the alternative, a variance from the use provisions (Sub-section 330.5) to allow a restaurant/carryout, seating 16, in an R-4 District at premises 728 F Street, N.E., (Square 891, Lot 49).

HEARING DATES: October 21, 1987 and January 13, 1988
DECISION DATE: January 13, 1988 (Bench Decision)

ORDER

The application was scheduled for the public hearing of October 21, 1987. The representative of the applicant appeared at that public hearing and requested a continuance of the hearing on the application to allow the applicant to meet with the Advisory Neighborhood Commission and other community groups to present the merits of the case. There was opposition to the granting of the continuance. In addition, a representative of Capitol Hill Restoration Society requested that the type of relief advertised be changed to a use variance rather than a special exception. The Board directed staff to re-schedule the application for the public hearing of January 13, 1988 and to re-advertise the case as seeking a special exception or, in the alternative, a use variance.

At the public hearing of January 13, 1988, the application was called several times. There was no response from the applicant or any other person representing the applicant. The staff received no communication from the applicant that he would not appear at the public hearing. Several persons in opposition to the application were present at the public hearing.

Upon consideration of the foregoing facts, it is ORDERED that the application is DISMISSED for failure of prosecution.

VOTE 4-0 (William F. McIntosh, Lindsley Williams, Paula L. Jewell and Charles R. Norris to dismiss; Carrie L. Thornhill not present, not voting).
