HEARING DATE: June 12, 1991
DECISION DATE: June 12, 1991 (Bench Decision)

SUMMARY ORDER

The Board duly provided timely notice of public hearing on this application, by publication in the D.C. Register, and by mail to ANC 2B and to owners of property within 200 feet of the site.

The site of the application is located in Advisory Neighborhood Commission (ANC) 2B. ANC 2B, which is automatically a party to the application, filed a written statement of issues and concerns in support of the application.

As directed by 11 DCMR 3324.2, the Board has required the applicant to satisfy the burden of proving the elements which are necessary to establish the case for a variance from the strict application of the requirements of 11 DCMR 2001.3(a), (b) and (c), 403.2, 404.1 and 406.1. No person or entity appeared at the public hearing in opposition to the application or otherwise requested to participate as a party to this proceeding. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, the Board concludes that the applicant has met the burden of proof, pursuant to 11 DCMR 3107, and that the requested relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Maps. It is therefore ORDERED that the application is GRANTED, SUBJECT to the CONDITION that the proposed canopy shall be designed so that it can be folded against the wall and/or removed when not in use.

Pursuant to 11 DCMR 3301.1, the Board has determined to waive the requirement of 11 DCMR 3331.1 that the Order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is not prohibited by law.

VOTE: 3-0 (Paula L. Jewell, Charles R. Norris and Carrie L. Thornhill to grant; Sheri M. Pruitt and Tersh Boasberg not present, not voting).
