Re: Application No. 15935

OFFICE OF THE  
DISTRICT CLERK  
94 FEB -1 19:25

Dear Mr. Lyons:

I regret to inform you that we must withdraw Application No. 15935. Please remove our application from the February 9th calendar. Unfortunately, the Applicant/tenant, Linda Talton has found an alternative location for her business between the time the application was submitted and the hearing date.

I would like to thank you for providing us with information and insight into the variance procedure. Moreover, I would like to thank you on the behalf of ANC-1C, the Reed-Cooke Neighborhood Association (RAM), the Metropolitan Police Department, Third District and Councilmember Frank Smith for acknowledging the emergency nature of our application and expediting that application on the BZA calendar. Obviously, the neighborhood emergency still exists and we are making every attempt to find another tenant who is better equipped to deal with the crisis on our corner.

I am requesting that you return our application and its supporting documents to me at the above address. This would be helpful since I live in New York and certain portions of the gathered documentation can be used again when we re-apply to the BZA at a future date. In the event that the application fee is refundable, please forward that to me as well.

Thank you for your help and attention to this matter.

Sincerely,

Robert W. Newmann
