Ms. Susan Hinton, Chair
Board of Zoning Adjustment
441 4th Street NW
Washington, DC 20001

Dear Ms. Hinton:

I request the immediate withdrawal of ANC 2E's formal petition #16249.

The filing of the petition was based upon actions taken at the May 6, 1996 ANC meeting. Upon a more stringent reading of the minutes of that meeting, I uncovered the fact ANC-2E did not have a quorum present to conduct any legal public business. Any business item or motion passed at that meeting is therefore invalid and, should the ANC decide to action, it must rehear the issue and vote with a quorum present. As ANC Chair, I offer my apologies for any inconvenience caused by my inappropriate action.

Sincerely,

Fran Goldstein
