HEARING DATE: January 7, 1998
DECISION DATE: September 4, 2001

DISMISSAL ORDER

REVIEWED BY THE ZONING ADMINISTRATOR

This application was accompanied by a memorandum from the Zoning Administrator.

The Board provided proper and timely notice of public hearing on this application, by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 1C and to owners of property within 200 feet of the site. The application was referred to the Office of Planning (OP) for review and report.

This application was filed on September 22, 1997, and scheduled for public hearing on January 7, 1998. At the January 7, 1998 hearing the case was continued to allow the Applicant time to review several options. In a letter dated July 30, 1998, the Office of Zoning (OZ) outlined options available to the Applicant and requested that he inform the OZ if he intended to proceed. In a letter dated August 23, 2000, OZ again requested information from the Applicant on the status of his application. In a response dated September 12, 2000, the Applicant requested to delay the hearing for a couple of months. In a letter dated December 13, 2000, OZ informed the Applicant that a response on the status of his application should be submitted to the OZ by January 9, 2001, noting that failure to do so would result in OZ submitting the application to the Board with the recommendation that the case be dismissed.

At the Board's monthly meeting on September 4, 2001, the Office of Zoning reported the aforementioned status of the application and recommended that the Board dismiss the case pursuant to 11 DCMR § 3101.7.

In light of the foregoing, the Board hereby **ORDERS** that the application be **DISMISSED**.

VOTE: 5-0-0 (Anthony J. Hood, Sheila Cross Reid, Geoffrey H. Griffis, David W. Levy, and Anne Mohnkern Renshaw to dismiss the application).
