Re: BZA Application No. 16388

Dear Mr. Free:

I hereby acknowledge your letter of November 2, 1998 in which you requested that the above-numbered application be withdrawn and that the application fee be refunded. You are advised that, pursuant to Subsection 3316.8 of the Zoning Regulations, the application is **WITHDRAWN**.

You are further advised that at the public hearing of November 18, 1998, the Board considered your request for a refund. The Board noted that the decision to withdraw the application was based on opposition in the community and not on an error made by an official of the government in handling the application. The Board also noted that work had already been performed by the staff of the Office of Zoning to process the application. Consequently, the Board determined to deny the request for a refund of the fees. Please be aware that no further action will be taken on this application.

If you have any questions, please call the Office of Zoning at (202) 727-6311.

Sincerely,

Tracey W. Rose
for **SHERI M. PRUITT-WILLIAMS**
Interim Director
