HEARING DATE: September 29, 1999
DECISION DATE: March 2, 2004

DISMISSAL ORDER

This application was filed with the Office of Zoning (OZ) on May 21, 1999. The public hearing on the application was held on September 29, 1999. The Board of Zoning Adjustment (Board) members who heard the case are no longer sitting. The application was opposed at the hearing. During the course of the hearing, the Board determined that the applicant, who resides in North Carolina, needed more time to prepare to address the burden of proof for the relief being requested. The Board continued the hearing to an unspecified date and asked the OZ to provide the applicant with a list of items that are needed before the case can be re-scheduled for a hearing. The OZ provided the applicant with this information. Not hearing back from the applicant for a considerable time, the OZ by letter dated January 14, 2000, advised the applicant that it would recommend that the case be dismissed unless she responded by January 31, 2000. The OZ sent another letter to the applicant on April 8, 2002, inquiring of her intentions to proceed with the application. The OZ received a letter on April 29, 2002, from the applicant stating her intentions to proceed with the application, noting that she is looking for representation to act on her behalf. Not hearing back from the applicant for six months the OZ sent a letter dated October 25, 2002 to the applicant advising that if the outstanding information is not received by December 1, 2002, that OZ will recommend that the Board dismiss the application. No follow-up correspondence has been received from the applicant in over a year relevant to the foregoing. Given the substantial time that has passed, and the applicant's failure to provide the additional information requested after due notice and expiration of a reasonable time, the OZ recommended that the Board dismiss this application for failure to comply with the provisions of the Zoning Regulations under subsection 3100.6.

At the Board's monthly meeting on March 2, 2004, the OZ reported the aforementioned status of the application and recommended that the Board dismiss the application for failure of the Applicant to comply with the procedural requirements of the Zoning Regulations.

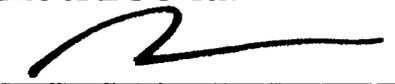

In light of the foregoing, the Board hereby **ORDERS** that the application be **DISMISSED**.

VOTE: 4-0-1 (Geoffrey H. Griffis, Ruthanne G. Miller, Curtis L. Etherly, Jr. and David A. Zaidain to dismiss the application, the Zoning Commission member not present not voting).
