

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Application No. 16506 of Africare, Inc., pursuant to 11 DCMR 3107.2 (new 3103.2) for a variance to add an annex to an existing structure under Subsection 3104.3, from the use provisions to use all floors of the subject premises as "Headquarters Office of Charitable Organization" in an R-4 District at premises 440 R Street, N.W. (Square 509, Lot 805).¹

HEARING DATE: October 20, 1999
DECISION DATE: November 10, 1999

SUMMARY ORDER

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, by mail to Advisory Neighborhood Commission (ANC) 2C and to owners of property within 200 feet of the site.

The site of the application is located within the jurisdiction of ANC 2C. ANC 2C, which is automatically a party to this application, did not provide written or oral comments on the application.

As directed by 11 DCMR 3119.2 the Board required the applicant to satisfy the burden of proving the elements, which are necessary to establish the case for a variance pursuant to 11 DCMR Subsection 404.1. No person or entity appearing as a party to this case testified in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, the Board concludes that the applicant has met the burden of proof, pursuant to 11 DCMR 3103.2, that there exists an exceptional or extraordinary situation or condition related to the property which creates a practical difficulty for the owner in complying with the Zoning Regulations and Map, and that the requested relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose and integrity of the zone plan as embodied in the Zoning Regulations and Map. It is **ORDERED** that the application be **GRANTED**.

¹ The application was advertised as requiring relief from the use provision and Subsection 3104.3 of the Zoning Regulations. At the public hearing, the application was revised to indicate that an area variance and Subsection 404.1 are the appropriate zoning relief. The property was reposted.

Pursuant to 11 DCMR 3101.6, the Board has determined to waive the requirement of 11 DCMR 3125.3 that findings of fact and conclusions of law accompany the order of the Board. The waiver will not prejudice the rights of any party, and is appropriate in this case.

VOTE: 3-0 (Jerry Gilreath, Sheila Cross Reid and Robert Sockwell to approve.)
