

GOVERNMENT OF THE DISTRICT OF COLUMBIA  
BOARD OF ZONING ADJUSTMENT

**Application No. 16546-A of the Potomac Electric Power Company**, pursuant 11 DCMR § 3103.2 for a variance from the height requirements under section 840 and pursuant to 11 DCMR § 3104.1, a special exception from the roof structure set-back requirements under section 411, for the construction of a five-story office building in a C-M-1 District at premises 3400 Benning Road, N.E. (Parcel 169/114).

**Note:** The Board approved a request by the applicant to waive the six (6) month filing requirements under subsection 3129.3, to accept a motion to modify approved landscape plan.

**ORIGINAL HEARING DATE:** February 9, 2000  
**ORIGINAL DECISION DATE:** February 9, 2000 (Bench Decision)

**DISPOSITION:** The Board GRANTED the original application by a vote of 4-0-1 (Robert N. Sockwell, Anne M. Renshaw, Anthony J. Hood, and Sheila Cross Reid to approve, the third Mayoral appointee not present, not voting).

**FINAL DATE OF ORIGINAL ORDER:** March 21, 2000

**MODIFICATION ORDER**

The Board initially granted the Application by its Order dated March 21, 2000. By letter dated February 21, 2001, the Applicant filed a request to modify the previously approved landscape plan that are consistent with BZA Order No. 16546, and to waive the six month filing requirement pursuant to § 3129.3 of the Zoning Regulations to allow for a modification of the previously approved landscape plan. The Board finds that the modification of the plan is minor in nature and necessary to reconcile a minor inconsistency between the approved landscape plan and the approved ground floor plan. The Board also finds that the modification does not materially change the facts that the Board relied upon in approving the original application. The size and configuration of the court yard and the landscape plan were not relevant to the variance and special exception relief that was sought in the original application. The plan for the building approved in the original application has not changed with the modification request. The side of the building on which the landscaping would change is internal to the site and far removed from any adjoining residential property.

The request was reviewed at the Board's March 5, 2002, public meeting. The site of this application is located within the jurisdiction of Advisory Neighborhood Commission (ANC) 7D. Pursuant to § 3129.4, ANC 7D, as the only party to the original Application

other than the Applicant, was notified of the modification request. ANC 7D submitted a written statement in support of the modification request. The D.C. Office of Planning submitted a written report stating no objection to the modification request.

Upon consideration of the motion for waiver of the six (6) month filing requirement of § 3129.3, and support for the modification request by ANC 7D and OP, the Board determines that the waiver should be approved.

Upon consideration of the Applicant's request for modification of the approved landscape plans and support for the modification request by ANC 7D and OP, the Board concludes that the proposed modifications are minor and do not change the material facts relied upon by the Board in approving the Application.

The Board notes that the current Board members have reviewed the record in the initial application and the instant request for modification.

It is therefore **ORDERED** that the requests for a **WAIVER** of the **SIX-MONTH TIME LIMITATION FOR FILING A MOTION** and **MODIFICATION OF APPROVED LANDSCAPE PLAN** are **APPROVED**. In all other respects, the previous Order of the Board shall remain in full force and effect.

**DECISION DATE:** March 5, 2002

**VOTE: 5-0-0** (Geoffrey H. Griffis, David W. Levy, Anne M. Renshaw, Curtis L. Etherly, Jr. and Anthony J. Hood to grant).

**BY ORDER OF THE D.C. BOARD OF ZONING ADJUSTMENT**

Each concurring Board member has approved the issuance of this order.

**ATTESTED BY:**
