Board of Zoning Adjustment

Office of Zoning

**Application No. 16602 of The Public Welfare Foundation, Inc.**, pursuant to 11 DCMR 3104.1 for a special exception under Section 214 to use a parking lot for employees and visitors to the True Reformer Building in an R-4 District at premises 1932 12<sup>th</sup> Street, N.W. (Square 274, Lots 71 through 75).<sup>1</sup>

**HEARING DATE:** September 19, 2000

**DECISION DATE:** September 19, 2000

**SUMMARY ORDER**

The zoning relief requested in this case is self-certified, pursuant to 11 DCMR 3113.2.

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, by mail to Advisory Neighborhood Commission (ANC) 1B, and to owners of property within 200 feet of the site.

The site of the application is located within the jurisdiction of ANC 1B. ANC 1B, which is automatically a party to this application, submitted correspondence in support of the application.

As directed by 11 DCMR 3119.2, the Board required the applicant to satisfy the burden of proving the elements, which are necessary to establish the case for a special exception pursuant to 11 DCMR 3104.1. No person or entity appearing as a party to this case testified in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, the Board concludes that the applicant has met the burden of proof, pursuant to 11 DCMR 3104.1, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map. It is therefore **ORDERED** that the application be **GRANTED, SUBJECT** to the following **CONDITIONS**:

---

<sup>1</sup> The correct address of the premises is 1932 12<sup>th</sup> Street, N.W., not 932 12<sup>th</sup> Street, N.W. Further, the site would be used to serve the office use of the True Reformer Building, not to serve the customers and employees of a store.

1. The site shall be used for parking for the duration of time that the True Reformer Building is occupied by The Public Welfare Foundation.
2. The parking layout and landscaping shall be in accordance with the plan marked as Exhibit No. 28 of the record for up to 24 accessory parking spaces.
3. All areas devoted to driveways, access lanes, and parking areas shall be maintained with a paving of material forming an all-weather impervious surface.
4. Bumper stops shall be erected and maintained for the protection of all adjoining buildings.
5. No vehicle or any part thereof shall be permitted to project over any lot or building line or on or over the public space.
6. All parts of the lot shall be kept free of refuse or debris and shall be paved or landscaped. Landscaping shall be maintained in a healthy growing condition and in a neat and orderly appearance.
7. No other use shall be conducted from or upon the premises and no structure other than an attendant's shelter shall be erected or used upon the premises unless such use or structure is otherwise permitted in the zoning district in which the parking lot is located.
8. Any lighting used to illuminate the parking lot or its accessory building shall be so arranged that all direct rays of such lighting are confined to the surface of the parking lot. The lot shall be lit from dusk to dawn each day.

Pursuant to 11 DCMR 3101.6, the Board waives the requirement of 11 DCMR 3125.3 that findings of fact and conclusions of law accompany the order of the Board. The waiver will not prejudice the rights of any party, and is appropriate in this case.

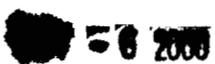

**VOTE:** 3 - 0 (Anthony J. Hood, Anne Renshaw and Robert Sockwell to approve; Sheila Cross Reid and Rodney Moulden not present, not voting.)
