Re: Amendment to BZA Application No. 16719
Withdrawal of BZA Application No. 16721
633 A Street, S.E. (Square 870, Lots 832 and 833)

Dear Members of the Board:

On behalf of the applicants, Gordon and Carla Yates Bremer, we are filing herewith an amended application in the above-referenced BZA Case No. 16719 to request the appropriate areas of relief needed to construct two additions to a flat located at 633 A Street, S.E. Specifically, the applicants request a special exception under section 223 of the Zoning Regulations to allow additions to a structure that does not meet the lot occupancy requirements of sections 403 and 2001.3. The applicants respectfully request that the Board reschedule this hearing for December 18, 2001. For the Board's convenience, we are enclosing a draft public notice that describes the area of relief requested for the project.

The applicants also hereby withdraw BZA Application No. 16721 for variances to allow for the construction of a second story addition to a garage at the rear of the property. The applicants no longer wish to pursue this addition.
