

**GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT**

Application No. 17005 of The Studio Theatre, Inc., pursuant to 11 DCMR § 3104.1, for a special exception from the rear yard requirements under section 774, a special exception to allow more than one roof structure, one of which provides screening walls that would not be of equal height and another that would have an opening other than a louver along one screening wall, both of these under section 771 (and section 411), and a special exception to allow less than 50% of the surface area of the street wall along 14th Street at the ground level to be used for display windows and entrances under sections 1903 and 1906, to allow additions to existing buildings (to be consolidated into a single building on a single record lot) for use as a legitimate theater in the Arts/C-3-A District at premises 1501, 1507 and 1509 14th Street, N.W. (Square 241, Lots 830, 834, and 835).

Note: The Board amended the application at the public hearing to consider relief from the rear yard requirements under section 774 as a special exception instead of the area variances originally sought.

HEARING DATE: April 22, 2003
DECISION DATE: April 22, 2003 (Bench Decision)

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board provided proper and timely notice of public hearing on this application, by publication in the *D.C. Register*, and by mail to the Applicant, Advisory Neighborhood Commission (ANC) 2F, the Office of Planning (OP), the only tenant located within one of the subject properties (at 1507 14th Street, N.W.), and owners of property within 200 feet of the site.

The site of the application is located within the jurisdiction of ANC 2F. ANC 2F submitted a letter in support of the application adopted by the ANC at a duly constituted meeting with a quorum of its Commissioners present. The OP submitted a report in support of the application.

As directed by 11 DCMR § 3119.2, the Board required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case for special exceptions pursuant to 11 DCMR §§ 3104.1, 411, 771, 774, 1903 and 1906 having determined that neither the variance originally sought from the requirement to provide a rear yard of a specified minimum depth nor the variance from expansion of a non-conforming aspect of a non-conforming building was required in the case. No party appeared at the public hearing in opposition to this application or otherwise requested to participate as a party in this proceeding. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

The record before the Board included a letter of support from the Logan Circle Community Association. No other persons appeared at the hearing or within the record in support of or opposition to the application.

The Board closed the record at the conclusion of the hearing. Based upon the record before the Board, and having given great weight to the ANC's report and the Office of Planning's report filed in this case, the Board concludes that the Applicant has met the burden of proof pursuant to 11 DCMR §§ 3104.1 for special exceptions under sections 411, 771, 774, 1903 and 1906 that the requested relief can be granted as in harmony with the general purpose and intent of the Zoning Regulations and Map and will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

It is therefore **ORDERED** that the application as amended is **GRANTED**, noting that the relief approved is associated with the plans dated April 22, 2003, that the Board received from the Applicant at the hearing that specifically depict each area of relief sought, all of which are hereby granted (Exhibit 33 of the Record).

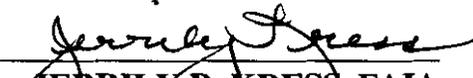

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3 that the Order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is appropriate in this case.

VOTE: 4-0-1 (Geoffrey H. Griffis, Curtis L. Etherly, Jr., Anthony J. Hood and David A. Zaidain to approve, the third mayoral appointee not present, not voting).
