

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Application No. 17051 of the Republic of Tajikistan, pursuant to 11 DCMR § 1002, to permit the establishment of a chancery for the Embassy of Tajikistan in the R-5-E District at premises 1005 New Hampshire Avenue, N.W. (Square 53, Lot 11).

**NOTICE OF FINAL RULEMAKING
and
DETERMINATION AND ORDER**

The Board of Zoning Adjustment, in its capacity as the Foreign Missions Board of Zoning Adjustment for the District of Columbia, pursuant to the authority set forth in the Foreign Missions Act, approved August 24, 1982 (96 Stat. 283; D.C. Code, 2001 Ed. § 6-1306); Chapter 10 of the Zoning Regulations of the District of Columbia, 11 DCMR; and Section 6(c) of the District of Columbia Administrative Procedure Act, approved October 21, 1968 (82 Stat. 1206; D.C. Code, 2001 Ed. § 2-505(c)), hereby gives notice of the adoption of its determination not to disapprove the application of the Republic of Tajikistan for the establishment of the Embassy of Tajikistan's chancery at premises 1005 New Hampshire Avenue, N.W. (Square 53, Lot 11).

Notice of the filing of the application, and the notice of the proposed rulemaking was published in the D.C. Register on July 4, 2003. In accordance with the D.C. Administrative Procedure Act (D.C. Section 2-501, *et seq.*), the Board provided more than thirty days' notice to the public. At the September 30, 2003, public hearing, the Board took proposed action to not disapprove the rulemaking.

The property that is the subject of the application is located at 1005 New Hampshire Avenue, N.W. The Property is a townhouse having three floors and a basement level. The Applicant requests that the ground floor and second floor be used as the chancery and that the existing English basement apartment and the top floor be used as apartments for embassy employees. This property is a historic building, contributing to the character of Schneider Triangle, a historic landmark. A flagpole and small coat of arms will be affixed to the front of the building, but otherwise there will be no exterior or interior changes. The historic preservation staff within the Office of Planning reported to the Board that the plaque and flagpole were acceptable. The historic preservation staff also certified that the building is eligible for the waiver of required parking because of the building's

historic status. The Applicant submitted the latter document to the record of this case.

On June 25, 2003, the applicant filed a chancery application with the Board. Pursuant to 11 DCMR § 3134.7, the application was accompanied by a letter from the United States Department of State certifying that the applicant had complied with Section 205 of the Foreign Missions Act (22 USC 4305) and that the application could be submitted to the Board.

The Office of Zoning, on (July 31, 2003) provided notice of the filing of the application to the Department of State; the District of Columbia Office of Planning; the Historic Preservation Review Board; the District of Columbia Department of Transportation; Advisory Neighborhood Commission (ANC) 2A, the ANC for the area within which the subject property is located; the ANC Commissioner for the affected Single Member District; and the Ward 2 Councilmember. The Office of Zoning subsequently scheduled a public hearing on the application for September 30, 2003, and provided notice of the hearing by mailing a copy to the applicant, to ANC 2A, and to all property owners within 200 feet of the subject property. Notice of the hearing was also published in the D.C. Register on August 4, 2003 and posted in the Office of Zoning. In addition, on September 12, 2003, the applicant posted notice on the property in plain view of the public in accordance with 11 DCMR § 3113. The notice given to the public complied with the requirements of 11 DCMR § 3134.9.

The record closed on September 30, 2003, at the conclusion of the public hearing. The Department of State, Office of Planning, Historic Preservation Office, D.C. Department of Transportation, Metropolitan Police Department, and D.C. Fire and Emergency Medical Services Department all submitted favorable reports on the application. The ANC 2A also supported the application by unanimous vote and by testimony at the public hearing. The Board has not received any other comments on the application.

At the conclusion of the public hearing on September 30, 2003, the Board determined not to disapprove the application for the following reasons:

First, as recommended by the Secretary of State and the Office of Planning, favorable action on the application will fulfill the international obligation of the United States to facilitate the acquisition of adequate and secure premises by the Government of Tajikistan for its diplomatic mission in the Nation's Capital.

Second, the Historic Preservation Office approved the retention of the existing building, especially its façade, as being consistent with the purposes of the

Historic Preservation Act, and also approved the proposed plaque and flagpole proposed by the applicant.

Third, after consultation with federal agencies authorized to perform protective services, the Secretary of State has determined that the subject property and the area are capable of being adequately protected.

Fourth, other District of Columbia agencies reported favorably on the application.

Fifth, the Director of the Office of Planning, on behalf of the Mayor of the District of Columbia, has determined that favorable action on this application is in the municipal interest and is consistent with the Comprehensive Plan for the National Capital and the R-5-E District.

Sixth, the Secretary of State has determined that a favorable decision on this application will serve the federal interest, as the Government of Tajikistan has consistently been supportive of the United States Embassy in Tajikistan and its diplomatic property needs.

Accordingly, it is hereby **ORDERED** that this application is **NOT DISAPPROVED**, with the following conditions:

1. The chancery for the Republic of Tajikistan shall use the ground floor and second floor of the building.
2. The only appendages to be added to the façade of the building shall be the flagpole and the chancery plaque, as drawn for the District of Columbia historic preservation staff.

Vote of the Foreign Missions Board of Zoning Adjustment taken at its public hearing on September 30, 2003 to **NOT DISAPPROVE** the proposed rulemaking: VOTE of 5-0-0 (Geoffrey H. Griffis, Patricia Gallagher, Ruthanne G. Miller, Curtis L. Etherly, Jr., and John G. Parsons not to disapprove).

This Notice of Final Rulemaking and Determination and Order was **ADOPTED** by the Foreign Missions Board of Zoning Adjustment at its public meeting on November 25, 2003, by a **VOTE** of 5-0-0: (Geoffrey H. Griffis, Curtis L. Etherly, Jr., Patricia Gallagher (by proxy), Ruthanne G. Miller, and John G. Parsons to adopt).
