

GOVERNMENT OF THE DISTRICT OF COLUMBIA  
BOARD OF ZONING ADJUSTMENT

Application No. 17145 of the Government of the District of Columbia (Washington Convention Center Authority), pursuant to 11 DCMR § 3103.2, for a variance to allow a temporary all-day commuter parking facility at the site of the former convention center under subsection 1702.7(c), in the DD/C-3-C District at premises 900 9<sup>th</sup> Street, N.W. (Squares 344, 373 and 374, All lots).

HEARING DATE: April 13, 2004

DECISION DATE: June 8, 2004

**SUMMARY ORDER**

**Self-Certification**

The zoning relief requested in this case was self certified, pursuant to 11 DCMR § 3113.2.

**The Application**

This application was submitted by the Government of the District of Columbia and Washington Convention Center Authority (an independent agency thereof), owner and operator of the former Washington Convention Center site (the site). The Applicant proposes to demolish the former Convention Center building and redevelop the site, using it on an interim basis for short term parking, all-day commuter parking, tour bus parking, park use, and public events. This application concerns only the all-day commuter parking which, under § 1702.7(c) of the Zoning Regulations, requires Board approval as a variance.<sup>1</sup>

**Notice of Public Hearing**

The Board provided proper and timely notice of public hearing on this application, by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 2F, the Office of Planning (OP) and to owners of property within 200 feet of the site. The Applicant posted placards at the property regarding the application and public hearing and submitted an affidavit to the Board to this

<sup>1</sup> Short term parking is permitted as-of-right where the spaces are leased to merchants or park-and-shop organizations (see, § 1702.7(a)). However, the site is several blocks from the closest retail stores and outside the range for park-and-shop organizations. Thus, only a portion of the site may lawfully be used for short term parking.

effect.

**ANC 2E** The site of the application is located within the jurisdiction of ANC 2F, which is automatically a party to this application, but did not appear at the hearing. The ANC submitted a report in support of the application, containing several suggested conditions.<sup>2</sup> Because the ANC report was submitted after the public hearing, the Board voted to waive the time limitation to admit it into the record (Exhibit 42).

**Requests for Party Status** There were no requests for party status.

**Persons in Support/Opposition** The Board received letters in support and in opposition to the application. The Board also heard testimony from individuals who advocated that the site should be used on an interim basis as a shelter for the homeless.

### **Government Reports**

**OP Report** The OP submitted a report recommending approval of the application subject to conditions (Exhibit 26).

**Department of Transportation (DDOT) Report** DDOT submitted an initial report (Exhibit 28) and supplemental report (Exhibit 41). Both reports recommended approval to use the site for short term automobile parking and tour bus parking, but not all day commuter parking.

## **DECISION**

As directed by 11 DCMR § 3119.2, the Board required the applicant to satisfy the burden of proving the elements that are necessary to establish the case for a variance pursuant to 11 DCMR §§ 3103.2.

Based upon the record before the Board and having given great weight to the OP and ANC reports filed in this case, the Board concludes that the applicant has met the burden of proving under 11 DCMR §§ 3103.2 and 1702.7(c), that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty or undue hardship for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

<sup>2</sup> Certain of those conditions are incorporated in this Order.

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is not prohibited by law. It is therefore **ORDERED** that this application be **GRANTED** subject to the following **CONDITIONS**:

1. Approval shall be for a period of **SIX (6) YEARS**.
2. Mandatory cleanup shall commence immediately after the conclusion of any and all events held at the site.
3. The site shall be equipped with adequate illumination.
4. The Applicant shall ensure that the organization selected to program special events on the old convention center site shall provide advance notice to ANC 2F of any proposed special event at the site. The notice from the event organizer shall be given to ANC 2F in sufficient time to: (1) allow ANC 2F to comment and make recommendations to minimize any adverse impacts of the event on ANC 2F; and (2) allow the event organizer to act upon ANC 2F's comment and concerns, if any, in the planning of the event.

**VOTE:**      4-0-1      (Curtis L. Etherly, Jr., Ruthanne G. Miller, Geoffrey H. Griffis (by absentee vote), Anthony J. Hood (by absentee vote) to approve, and John A. Mann, II abstaining)
