(Square 5894, Lot 40).

HEARING DATE: October 25, 2005
DECISION DATE: October 25, 2005 (Bench Decision)

RI ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 8B and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 8B, which is automatically a party to this application. ANC 8B did not participate in this application. The Office of Planning (OP) submitted a report in support of the application.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for special exception **under** section 205. No parties appeared at the public hearing in opposition to this application. Accordingly a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the Office of Planning report filed in this case, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1 and 205, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Based upon the record before the Board and having given great weight to the Office of Planning report, the Board further **concludes** that the applicant has met the burden of proving under 11 DCMR §§ 3103.2 and 2101 that there exists an exceptional or extraordinary situation or **condition related** to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the **public** good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this application be **GRANTED SUBJECT** to the following **CONDITIONS**:

1. Approval shall be for **SEVEN YEARS**.
2. The number of staff shall not exceed 20.
3. The ages of the children shall be 6 weeks to 12 years.
4. No more than 90 children shall be enrolled at the Center.
5. The play area shall be **located** immediately adjacent to the Center.
6. The Center shall operate **Monday** through Friday, from 7 a.m. to 6 p.m.
7. Trash removal shall occur at least two times a week.
8. The Center shall schedule delivery of materials and other goods between the hours of 10 a.m. and 2 p.m.
9. The Center shall **encourage** the use of public transportation by its staff.
10. **Drop** off and pick up shall take place at the Savannah Terrace, S.E. entrance to the building or at the nearby 22nd Street, SE cul de sac.
11. Staff members or adult volunteers shall escort the children between the **pick-up/drop-off** points and the building.
12. At least one additional staff member shall be assigned to direct traffic at drop off and pick up times.

13. **The Center** shall provide adequate lighting for pedestrians using the pathway and or stairs leading to/from the 22nd Street cul de sac. The applicant shall install three pole light fixtures – one at the top of the stairway, one at the bottom of the stairway and one at or near the middle of the stairway.
