

GOVERNMENT OF THE DISTRICT OF COLUMBIA
Board of Zoning Adjustment

Application No. 17399 of Lot 74 LLC, as amended, pursuant to 11 DCMR §§ 3103.2 and 3104.1 for: (i) a special exception under §2514.2 to allow the regulations applicable to that portion of a lot in a lesser restrictive use zone district to be extended to that portion of the lot in a more restrictive use zone district; (ii) a special exception under §214 to locate accessory parking spaces elsewhere than on the same lot on which the primary use is located; (iii) a special exception allowing roof structures of varying heights under 411.11; (iv) a variance from the R-4 zone minimum lot area requirement of §401.3; and (v) a variance from the residential recreation space requirements of §773 to allow the construction of a mixed-use residential and retail building and two flats, with accessory parking in the Arts/C-2-A and R-4 Districts at premises 1939 12th Street, N.W. (Square 305, Lots 72 and 74) (the "Property").

Note: The original application was amended to eliminate two special exception requests – the first one relating to the roof structure setback requirements under §411.11, and the second one relating to reducing the amount of parking required in the commercially-zoned portion of the property under §2108. The applicant added a variance request from the residential space requirements under §773.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for special exceptions under sections 2514.2, 411.11 and 214. No parties appeared at the public hearing in opposition to this application. Accordingly a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1, 2514.2, 411.11 and 214, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Based upon the record before the Board and having given great weight to the ANC and the Office of Planning reports filed in this case, the Board concludes that the applicant has met the burden of proving under 11 DCMR §§ 3103.2, 401.3 and 773 that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

Based upon the record before the Board, and pursuant to 11 DCMR 3125.8, the Board finds that the applicant shall have the flexibility to modify the plans approved by the Board to conform to the final plans approved by the Historic Preservation Review Board and staff. This flexibility is granted only to the extent that the resulting modification is in compliance with the Zoning Regulations.

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this application be **GRANTED**.

VOTE: **4-0-1** (Geoffrey H. Griffis, Ruthanne G. Miller, John A. Mann, II and Curtis L. Etherly, Jr. to approve; John G. Parsons not voting)
