HEARING DATE: April 25, 2006
DECISION DATE: April 25, 2006 (Bench Decision)

SUMMARY ORDER

REVIEW BY THE ZONING ADMINISTRATOR

The application was accompanied by a memorandum from the Zoning Administrator certifying the required relief.

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 5C and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 5C, which is automatically a party to this application. ANC 5C submitted a report in support of the application. The Office of Planning (OP) also submitted a report in support of the application.

Based upon the record before the Board and having given great weight to the ANC and the Office of Planning reports filed in this case, the Board concludes that the applicant has met the burden of proving under 11 DCMR §§ 3103.2, (772, 773, 776 and 2001.3) that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this application be **GRANTED**, **SUBJECT** to the **CONDITION** that the exterior façade of the new construction shall not be constructed of vinyl siding; a higher quality building material shall be used.
