Subject : BZA Application No.17592 - Bradbury Garage
740 9th Street SE (Square 9850, Lot 69)

To Whom It May Concern:

I would like to inform you that my clients, Jeff and Susie Bradbury, would like to withdraw their application for a variance to build a garage. They have decided to proceed with a garage proposal within the 60% matter-of-right lot occupancy. This decision was based on the fact that the proposal does not have the support of the Office of Planning, and the BZA indicated in the hearing that they most likely would deny the application.

We would like to thank you for your time reviewing the project.

Thank you,

Jennifer Fowler, A.I.A.
