

GOVERNMENT OF THE DISTRICT OF COLUMBIA
Board of Zoning Adjustment

Application No. 17680 of First FSK LP, pursuant to 11 DCMR § 3104.1, for a special exception to continue the use of a parking lot (last approved by BZA Order No. 16912, dated October 12, 2002) under section 213, in the R-1-B District at premises 4817 U Street, N.W. (Square 1389, Lot 816).

HEARING DATE: November 13, 2007

DECISION DATE: December 4, 2007

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 3D and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC-3D, which is automatically a party to this application. ANC 3D submitted a report in support of the application. The Office of Planning (OP) also submitted a report in support of the application.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for special exception under section 213. No parties appeared at the public hearing in opposition to this application. Accordingly a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1 and 213, that the requested relief can be granted, being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this application be **GRANTED**, **SUBJECT to the following CONDITIONS:**

1. Approval shall be for FIVE YEARS from the final date of this order.
2. All areas devoted to driveways, access lanes, and parking areas shall be surfaced and maintained with an all-weather *impervious, or acceptable all-weather pervious, surface*. In addition to traditional impervious surfaces, allowable all-weather surfaces include porous (or pervious) concrete, porous asphalt, and/or mechanically-reinforced grass, excluding grass or gravel.
3. The parking lot shall be designed so that no vehicles or any part of a vehicle projects over any lot line or building line.
4. No other use shall be conducted from or upon the premises, and no structure other than an attendant's shelter shall be erected or used upon the premises unless the use or structure is otherwise permitted in the district in which the parking lot is located.
5. No vehicular entrance or exit shall be within forty feet of a street intersection as measured from the intersection of the curb lines extended.
6. Any lighting used to illuminate parking spaces shall be arranged so that all direct rays are confined to the surface of the parking lot.
7. The parking lot shall be landscaped with trees and shrubs covering a minimum of five percent of the total area of the lot. The landscaping shall be maintained in a healthy growing condition and in a neat and orderly appearance.
8. A commercial parking lot management company will be engaged to manage the lot and maintain its appearance and condition.
9. The commercial parking lot management company shall institute a parking system designed to discourage commuter parking.
10. The parking restrictions will apply during the hours of 8 a.m. to 6 p.m.

13. The parking lot shall be cleaned every three days, and the landscaping maintained every ten days during the growing season.
14. The applicant shall maintain signage on the light posts on the interior of the lot stating that CVS is responsible for maintenance of the lot and providing a telephone number to call if the lot needs to be cleaned.
