

**GOVERNMENT OF THE DISTRICT OF COLUMBIA**  
**Board of Zoning Adjustment**

**Application No. 17712 of District-Properties.com**, pursuant to 11 DCMR § 3103.2, for variances from the lot width and lot area requirements under section 401, to allow the construction of a one-family row dwelling in the R-4 District at premises 615 16<sup>th</sup> Street, N.E. (Square 4540, Lot 83).

**HEARING DATE:** January 29, 2008  
**DECISION DATE:** January 29, 2008 (Bench Decision)

**SUMMARY ORDER**

**SELF-CERTIFIED**

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board provided proper and timely notice of public hearing on this application, by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 6A, the Office of Planning (OP) and to owners of property within 200 feet of the site. The OP submitted a report and testified at the public hearing in support to the application. The ANC did not participate in the case. The Department of Transportation submitted a report stating no objection to the application.

As directed by 11 DCMR § 3119.2, the Board required the applicant to satisfy the burden of proving the elements that are necessary to establish the case for a variance pursuant to 11 DCMR §§ 3103.2. No parties appeared at the public hearing in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP report filed in this case, the Board concludes that the applicant has met the burden of proving under 11 DCMR §§ 3103.2 and 401, that there exists an exceptional or extraordinary situation or condition related to the property that creates an undue hardship for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.
