SUMMARY ORDER

HEARING DATE: April 8, 2008

DECISION DATE: May 6, 2008

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 2F and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 2F, which is automatically a party to this application. ANC 2F did not participate in the application. The Office of Planning (OP) submitted a report in support of the application.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for special exceptions under sections 411.11 and 1906.1, and variances pursuant to § 3103.2 from the requirements of section 2001.3. No parties appeared at the public

hearing in opposition to this application. Accordingly a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP report, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1, 411.11 and 1906.1, that the requested relief can be granted, being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Based upon the record before the Board, the Board further concludes that the applicant has met the burden of proving under 11 DCMR §§ 3103.2 and 2001.3, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

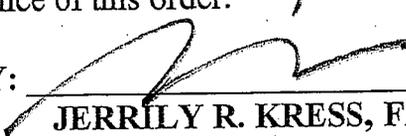

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this application be **GRANTED** subject to the following **CONDITION**:

1. Eating and drinking establishments shall occupy no more than 50% of the Project's linear foot frontage along 14th Street, N.W.
