**ORDER ON MOTION TO EXTEND**  
**THE VALIDITY OF BZA ORDER NO. 17809**

The Underlying BZA Order

On September 16, 2008, the Board of Zoning Adjustment (“Board” or “BZA”) approved the Applicant’s request for special exception relief from parking requirements for historic structures under § 2120 and from the roof structure number and setback requirements under § 411, to permit the expansion and renovation of the existing Uline arena and ice house in the C-M-1 and C-M-3 Districts. Thus, pursuant to 11 DCMR § 3104.1, the Board granted a special exception from parking requirements for historic structures under 11 DCMR § 2120 and a special exception from the roof structure number and setback requirements under 11 DCMR § 411, in order to expand and renovate the existing Uline arena and ice house in the C-M-1 and C-M-3 Districts at premises 1130-1150 3<sup>rd</sup> Street, N.E. (Square 748, Lots 8-11, 42, 43, 802, 808-812). The Order was issued October 2, 2008. (BZA Order 17809). (Exhibit 32).

Under the Order, and pursuant to § 3130.1 of the Zoning Regulations, the Order was valid for two years from the time it was issued – until October 2, 2010.

Section 3130.1<sup>1</sup> states:

No order [of the Board] authorizing the erection or alteration of a structure shall be valid for a period longer than two (2) years, or one (1) year for an Electronic Equipment Facility (EEF), unless within such period, the plans for the erection or alteration are filed for the purposes of securing a building permit, except as permitted in § 3130.6.

(11 DCMR § 3130.1)

Motion to Extend

On August 18, 2010, the Board received a letter, dated August 18, 2010, from the Applicant, which requested, pursuant to 11 DCMR § 3130.6,<sup>2</sup> a two-year extension in the authority granted in the underlying BZA Order, which was due to expire October 2, 2010. (Exhibit 34).

The Applicant is requesting a two-year extension in the authority granted in the underlying BZA Order because, due to the deterioration of the real estate market in Washington, D.C., the frozen credit markets, and the continuing economic crisis these have caused, the Applicant has been unable to obtain the necessary financing commitment to begin the project, despite attempts to obtain financing for the project ever since the Board originally approved it. To meet its burden of proof, the Applicant provided a signed and notarized affidavit which indicated that the Applicant has diligently sought financing and attempted to move forward with development of the site since the time of the BZA's original approval. The Applicant noted that while the latest reports suggest that the Washington commercial office market may begin to stabilize in the second half of 2010, its recovery will be slow and will not rebound before the time when the underlying BZA Order was due to expire. (Exhibit 34, Tab B).

There was no response to the Applicant's motion filed by the Office of Planning ("OP"). The project is within the boundaries of Advisory Neighborhood Commission ("ANC") 6C. ANC 6C filed a report, dated September 13, 2010, indicating that at a duly-noticed, regularly-scheduled, public meeting of the ANC at which a quorum was present, the ANC voted unanimously, 8:0:0, to support the two-year extension, with the caveat that the Applicant's representative ensure the maintenance of the property during the two-year period. (Exhibit 35).

According to the Applicant, the reasons for its request to the Board to extend the time of the Order are because of its inability to secure financing in an unstable economic market and market conditions in the District. The extension would allow the Applicant the additional time in which

to secure financing. Accordingly, the Applicant requested that, pursuant to § 3130.6 of the Regulations, the Board extend the validity of its prior Order for an additional two years, thereby allowing the Applicant additional time to secure financing and apply for a building permit.

Criteria for Evaluating Motion to Extend

The Zoning Commission adopted 11 DCMR § 3130.6 in Zoning Commission Case No. 09-01. The Section became effective on June 5, 2009.

Section 3130.6 of the Zoning Regulations states in full:

- 3130.6           The Board may grant one extension of the time periods in §§ 3130.1 for good cause shown upon the filing of a written request by the applicant before the expiration of the approval; provided, that the Board determines that the following requirements are met:
- (a) The extension request is served on all parties to the application by the applicant, and all parties are allowed thirty (30) days to respond;
  - (b) There is no substantial change in any of the material facts upon which the Board based its original approval of the application that would undermine the Board's justification for approving the original application; and
  - (c) The applicant demonstrates that there is good cause for such extension, with substantial evidence of one or more of the following criteria:
    - (1) An inability to obtain sufficient project financing due to economic and market conditions beyond the applicant's reasonable control;
    - (2) An inability to secure all required governmental agency approvals by the expiration date of the Board's order because of delays that are beyond the applicant's reasonable control; or
    - (3) The existence of pending litigation or such other condition, circumstance, or factor beyond the applicant's reasonable control.

(11 DCMR § 3130.6).

Furthermore, pursuant to 11 DCMR § 3130.9, for a request for a time extension to toll the expiration date of the underlying order for the sole purpose of allowing the Board to consider the

**BZA APPLICATION NO. 17809-A**  
**PAGE NO. 4**

request, the motion must be filed at least 30 days prior to the date on which an order is due to expire. The Applicant filed its request on August 18, 2010, which was more than the required 30-day period for tolling.

Also, the Board found that the Applicant has met the criteria set forth in § 3130.6. The motion for a time extension was served on all the parties to the application and those parties were given 30 days in which to respond under § 3130.6(a). The Applicant's inability to secure the necessary permits and financing and the poor economic conditions in the District constitute the "good cause" required under § 3130.6(c)(1).

As required by § 3130.6(b), there is no substantial change in any of the material facts upon which the Board based its original approval. In requesting this extension of the Order, the Applicant's plans for development of the site would be unchanged from those approved by the Board in its Order dated October 2, 2008 (Exhibit No. 24 (Plans), as modified by Exhibit No. 29 (Revised Parking Plan) in the record). There have been no changes to the zone district classification applicable to the property or to the Comprehensive Plan affecting this site since the issuance of the Board's Order.

Neither the ANC nor any party to the application objected to an extension of the Order. The Board concludes that the extension of that relief is appropriate under the current circumstances.

Accordingly, pursuant to § 3130.6 of the Regulations, the Board hereby extends the validity of the underlying Order, as conditioned, for a period not to exceed two years from the current expiration date, thereby establishing a new expiration date of October 2, 2012.

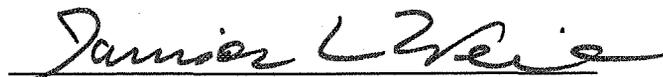

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this request for extension of time be **GRANTED** until October 2, 2012.
