

GOVERNMENT OF THE DISTRICT OF COLUMBIA
Board of Zoning Adjustment

Application No. 17996-A of the Protestant Episcopal Cathedral Foundation of the District of Columbia, pursuant to 11 DCMR § 3104.1, for a special exception under § 205 to establish a child development center as a principal use for a maximum of 60 children who are siblings of students at the National Cathedral Elementary School (Beauvoir) or children of employees of the Foundation, and a maximum of 21 employees in the R-1-B District at premises 3500 Woodley Road, N.W. (Square 1944, Lot 25).¹

HEARING DATE: November 24, 2009
DECISION DATE: November 24, 2009 (Bench Decision)

SUMMARY ORDER

SELF CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2. (Exhibit 6).

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission (ANC) 3C and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 3C, which is automatically a party to this application. ANC 3C filed a report, dated October 21, 2009, indicating that, at a

¹ This application was originally filed as BZA No. 17996, but was amended and bifurcated to reflect that the Applicant sought special exception relief for two different principal uses (private school under section 206 and child development center under section 205) at a single site. The child development center, which is the subject of this order, had been operating as an accessory use to the private school. The Applicant is now seeking to establish the child development center as a separate principal use at the same location, as well as to increase both the number of children and employees at the child development center.

publicly-noticed meeting held on October 19, 2009, at which a quorum was present, the ANC voted unanimously to support the application with conditions. The ANC's report was filed on a timely basis and met the requirements of section 3115.1 of the Zoning Regulations. (Exhibit 28). The Office of Planning (OP) submitted a timely report recommending approval of the application with conditions and subject to the recommendations of the District Department of Transportation (DDOT). (Exhibit 29). DDOT recommended conditional approval of the application. (Exhibit 27). The Office of the State Superintendent of Education (OSSE), Compliance Care Licensing Unit, recommended that the application be granted. (Exhibit 24).

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for special exception under section 205. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1 and 205, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this application be **GRANTED AS CONDITIONED:**

- 1) The number of children at the child development center (CDC) shall not exceed 60. Only siblings of current matriculating Beauvoir students and children of active Protestant Episcopal Cathedral Foundation (PECF) employees shall be authorized to be accepted into the CDC program.
- 2) The number of faculty and staff of the CDC shall not exceed 21.
- 3) The CDC shall not offer any conferences, training sessions, or other large programs for outside groups, except for those already scheduled as of November 24, 2009.

- 4) The Applicant shall provide 126 parking spaces, 5 of which shall be designated for the CDC and 48 of which shall be shared between Beauvoir School and the CDC, and shall comply with the submitted parking plan.

- 5) On an annual basis, starting October, 2010, the Applicant shall submit a report to ANC 3C showing the location of all the parking spaces on the entire PECF Close together with any changes to the 126 parking spaces that constitute the parking "bank" of Beauvoir School and the CDC. The annual report shall also indicate the total number of children enrolled in the CDC and specify the number of that total enrollment figure who are children of PECF employees and who are siblings of current matriculating Beauvoir students.

VOTE: 4-0-1 (Marc D. Loud, Shane L. Dettman, Meridith H. Moldenhauer, Anthony J. Hood to APPROVE. No other Board members present, or voting.)
