**PAGE NO. 2**

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3103.2, for a variance from the lot occupancy requirements under § 403.2 and the off-street parking requirements under § 2101.1. Based upon the record before the Board and having given great weight to the OP and ANC reports filed in this case, the Board concludes that the applicant has met the burden of proving under 11 DCMR §§ 3103.2, 403.2, and 2101.1, that there exists an exceptional or extraordinary situation or condition related to the property that creates an undue hardship for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1 for special exception under section 334. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the ANC and OP reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1 and 334, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this application (pursuant to Exhibit 9 – Plans) be **GRANTED WITH THE FOLLOWING CONDITIONS:**

1. The operating hours of the community service center shall be 8:30 a.m. to 5:00 p.m., Monday through Friday.
2. The Applicant shall install a gate to the parking lot to prevent access during non-business hours.
3. The Applicant shall provide a trash pick-up area at the rear of the property.
