ZONING COMMISSION ORDER NO. 433
Cases No. 84-6 & 84-12
August 16, 1984

On August 16, 1984 at its regular monthly meeting, the District of Columbia Zoning Commission authorized the scheduling of public hearings for the following:

Case No. 84-6

ANC-2C

Application from the District of Columbia Department of Housing and Community Development for a change of zoning from C-M-3 to C-3-C for various lots in Squares 675-677 in the unit blocks of G Place, and G & H Streets, N.E. The applicant has no specific development plans at this time but believes that the subject site is more suited to commercial/hotel development, in lieu of industrial development.

Case No. 84-12

ANC-8C

Application from Furman Builders, Inc. for a change of zoning from R-2 to R-5-A for lot 2 in Square 5957 at 7th and Savannah Streets, S.E. The applicant proposes to construct a residential development of seventy-six single-family rowhouses, each to be marketed as fee simple on separate lots of 2000 square feet.

It is therefore hereby ordered that Cases No. 84-6 and 84-12 be scheduled for public hearing. Formal "Notices of Public Hearing" are forthcoming.
