

Before the Board of Zoning Adjustment, D.C.

PUBLIC HEARING--Nov. 17, 1965

Appeal #8421 Bralove Enterprises, appellant.

The Zoning Administrator District of Columbia, appellee.

On motion duly made, seconded and carried with Mr. McIntosh dissenting, the following Order was entered on Nov. 24, 1965:

ORDERED:

That the appeal to erect apt. bldg. with roof structures in accordance with Section 3308 of the Zoning Regulations at 2501 Calvert St. N.W., lot 31, square 2132, be granted for the following reasons:

(1) From the records and the evidence adduced at the hearing, the Board finds that the enclosure on the roof of this proposed apartment building for service equipment will harmonize with the main structure in architectural character, material and color.

(2) There was no objection to the granting of this appeal registered at the public hearing.
