CHAPTER 1 ADMINISTRATION

100 JURISDICTION; AUTHORITY; POWERS

- 100.1 This chapter supplements procedures set out in the Zoning Act of 1938, approved June 20, 1938 (52 Stat. 797, as amended; D.C. Official Code §§ 6-641.01 to 641.15 (2012 Repl.)) (hereinafter “Zoning Act”); the Zoning Regulations of the District of Columbia, Title 11 DCMR; and the D.C. Administrative Procedure Act, effective October 8, 1975 (D.C. Law 1-19; D.C. Official Code §§ 2-501 to 2-511).
- 100.2 This subtitle shall be effective on September 6, 2016.
- 100.3 The Commission, pursuant to D.C. Official Code § 6-641.01, is empowered to regulate the location, height, bulk, number of stories and size of buildings and other structures, the percentage of lot which may be occupied, the sizes of yards, courts, and other open spaces, the density of population; and the uses of buildings, structures, and land for trade, industry, residence, recreation, public activities, or other purposes; and for the purpose of such regulation the Commission may divide the District of Columbia into districts or zones of such number, shape, and area as the Commission may determine, and within such districts may regulate the erection, construction, reconstruction, alteration, conversion, maintenance, and uses of buildings and structures, and the uses of land.
- 100.4 The Commission, pursuant to D.C. Official Code § 6-641.01, is empowered to promulgate regulations to require, with respect to buildings erected subsequent to the promulgation of such regulations, that facilities be provided and maintained either on the same lot with any such building, or on the same lot with any such building or elsewhere, for the parking of automobiles and motor vehicles of the owners, occupants, tenants, patrons, and customers of such building, and of the business, trades, and professions conducted therein.
- 100.5 The Commission, pursuant to D.C. Official Code §§ 6-621.01 and 6-641.01, is empowered to hear contested cases, as defined by D.C. Official Code § 2-509(8), brought under the Zoning Regulations, including cases described in Subtitle Z § 201.2.
- 100.6 The Commission, pursuant to D.C. Official Code §§ 6-621.01 and 6-641.01, is empowered to hear rulemaking cases, as defined by D.C. Official Code § 2-509(7), including cases described in Subtitle Z § 201.5.

101 GENERAL PROVISIONS

- 101.1 In any conflict between the provisions of this subtitle and any other provisions of this title, the other provisions of this title shall govern.

- 101.2 In any conflict within this section between general and specific provisions, the specific provisions shall govern.
- 101.3 In any conflict between this section and the D.C. Administrative Procedure Act, the Act shall govern.
- 101.4 In any conflict between this subtitle and the Zoning Act, the Act shall govern.
- 101.5 Legal advice from the Office of the Attorney General may be requested or received at any time.
- 101.6 Informal requests for advice or moot questions shall not be considered by the Commission.
- 101.7 When used in this subtitle the following terms shall have the meanings ascribed:
- (a) ANC: Advisory Neighborhood Commission;
 - (b) Commission: Zoning Commission; and
 - (c) Director: Director of the Office of Zoning or his/her designee.
- 101.8 In this subtitle, the term “affected Advisory Neighborhood Commission” or “affected ANC” refers to the ANC within which the property that is the subject of an application or petition is located; except if an area represented by another ANC is directly across the street from property that is the subject of an application or petition the term shall also refer to that ANC. If a petition has a District-wide affect, all ANCs are deemed to be affected.
- 101.9 The Commission may, for good cause shown, waive any of the provisions of this subtitle if, in the judgment of the Commission, the waiver will not prejudice the rights of any party and is not otherwise prohibited by law.

105 RULES OF ETHICS

- 105.1 The following Rules of Ethics are intended to be complementary to, and not in place of, the ethical requirements applicable to all District Officials, as those requirements are stated in the Ethics Manual for the District of Columbia and the District and federal laws it references. To the extent there is any conflict between the rules that follow and requirements described in the Ethics Manual, the more stringent requirement shall govern.
- 105.2 Members of the Commission shall at all times maintain a high level of ethical conduct in connection with the performance of their official duties, and shall refrain from taking, ordering, or participating in any official action which would adversely affect the confidence of the public in the integrity of the government of the District of Columbia.

 - (f) Affecting adversely the confidence of the public in the integrity of government.
- 105.4 Members of the Commission shall not ask for or accept, either directly or through someone else, any gift, gratuity, favor, loan, entertainment, or anything of value from a person who has or is seeking a contract with the District of Columbia; is regulated by the District; or has any interest that may be affected by the member of the Commission's performance of official duties.
- 105.5 In any proceedings before the Commission, all members of the Commission shall be prohibited from receiving or participating in any *ex parte* communication relevant to the merits of the proceeding.
- 105.6 The prohibition in Subtitle Z § 105.5 shall begin to apply upon the referral of any application or petition pursuant to Subtitle Z §§ 400.3 and 500.3, and shall not terminate until the final disposition of the case.

- 105.7 The prohibition in Subtitle Z § 105.5 shall not extend to communication between the Commission and the Office of Zoning concerning matters of record.
- 105.8 A member of the Commission shall disqualify himself or herself in a proceeding before the Commission in which the member's impartiality might reasonably be questioned, including but not limited to instances where:

If following disclosure of any basis for disqualification other than personal bias or prejudice concerning a party, the parties and their representatives all agree that the member of the Commission should not be disqualified, and the member is then willing to participate, the Commissioner may participate in the proceeding.
- 105.10 No member of the Commission shall represent any person before the Board of Zoning Adjustment or Commission other than himself or herself while a member of the Commission.

- 105.11 No former member of the Commission shall represent any person before the Board of Zoning Adjustment or Commission other than himself or herself for a period of one (1) year after the date that the member's service on the Commission terminates.

201 APPLICATIONS AND PETITIONS

- 201.1 Any contested case proceeding before the Commission shall be initiated by the filing of an application with the Commission on the form and in the manner that the Director may prescribe, except that the Commission may initiate a case on its own motion.
- 201.2 Contested cases are adjudicatory in nature, present issues for resolution at a public hearing that potentially have a limited scope of impact, and involve primarily questions of fact applicable to that limited scope of impact, while broader issues of public policy are secondary concerns. Contested cases include, without limitation, all applications that do not meet the requirements of a rulemaking case under Subtitle Z § 201.5. Contested cases include:
- (a) Design review;
 - (b) Planned unit developments (PUDs);
 - (c) Campus plans and further processings;
 - (d) Air space development; and
 - (e) Map amendments filed by the property owner or owners for a single property or for multiple properties that are contiguous or are only separated by a street or alley;
- 201.3 Contested cases, as defined by D.C. Official Code § 2-502(8), shall be initiated by the filing of an application. Public hearings on contested cases shall be processed and conducted according to the provisions of D.C. Official Code § 2-509 (2012 Repl.) and Subtitle Z, Chapter 4, unless the Commission determines otherwise pursuant to Subtitle Z § 201.9.

- 201.4 Any rulemaking case proceeding before the Commission shall be initiated by the filing of a petition with the Commission on the form and in the manner that the Director may prescribe, except that the Commission may initiate a case on its own motion.
- 201.5 Rulemaking cases are legislative in nature and present issues for resolution at a public hearing that potentially affect large numbers of persons or property or the public in general, and include, without limitation, the following:
- (a) Amendments to the text of the Zoning Regulations; and
 - (b) Map amendments pursuant to Subtitle Z § 201.7.
- 201.6 Except for cases initiated by the filing of an Office of Planning report or by the Commission on its own motion, rulemaking cases, as defined by D.C. Official Code § 2-502(7), shall be initiated by the filing of a petition. Public hearings on rulemaking cases shall be processed and conducted according to the provisions of D.C. Official Code § 2-505 (2012 Repl.) and Subtitle Z, Chapter 5, unless the Commission determines otherwise pursuant to Subtitle Z § 201.9.
- 201.7 Map amendments in rulemaking cases may be initiated by:
- (a) Public agencies to amend the zoning map for a neighborhood, commercial district, or other geographic area encompassing multiple properties, unless determined otherwise by the Commission pursuant to Subtitle Z § 201.9; and
 - (b) Private persons, organizations, or other entities to amend the zoning map in cases where:
 - (1) The petitioner does not own all of the property proposed to be rezoned; or
 - (2) The petitioner owns all of the property proposed to be rezoned, but the ownership pattern is geographically scattered or otherwise of a character that raises land use policy questions to a greater degree than highly localized issues of fact and effects on neighboring properties.
- 201.8 In a rulemaking case before the Commission, including, but not limited to, those cases described in Subtitle Z § 201.5, there are no parties or motions.

- 500.13 If the matter is set down for a public hearing, the Commission shall, at the same meeting, confirm whether the matter will be heard as a contested or rulemaking case according to the standards in Subtitle Z §§ 201.2 and 201.5 and provide that the notice of hearing will state such classification.
- 500.14 A petitioner granted a public hearing and other processing shall be so notified on the record.

- 604.12 An application shall be required to carry out the construction, renovation, or alteration only in accordance with the plans approved by the Commission, unless the Commission orders otherwise.
- 604.13 If there is any ambiguity between the plans and the order, the written text of the order supersedes.

- 700.2 No application or petition essentially the same as that denied following a hearing shall be accepted for filing within one (1) year after the denial.
- 700.3 A motion for reconsideration, rehearing, or re-argument of a final order in a contested case under Subtitle Z § 201.2 may be filed by a party within ten (10) days of the order having become final. The motion shall be served upon all other parties.
- 700.4 The Commission shall not receive or consider any motion for reconsideration, rehearing, or re-argument of a final order in a contested case proceeding that is filed prior to the order having become final.
- 700.5 A motion for reconsideration, rehearing, or re-argument shall be filed on a form and in a manner as may be designated by the Director.
- 700.6 A motion for reconsideration, rehearing, or re-argument shall state specifically the respects in which the final order is claimed to be erroneous, the grounds of the motion, and the relief sought.
- 700.7 No request for rehearing shall be considered by the Commission unless new evidence is submitted that could not reasonably have been presented at the original hearing. If a rehearing is granted, notice shall be given as in the case of an original hearing.
- 700.8 Within seven (7) days after a motion for reconsideration, rehearing, or re-argument has been filed and served, any other party may file an answer in opposition to or in support of the motion. Replies by other parties to the aforementioned answers will not be accepted into the record.

- 700.11 A motion for reconsideration, rehearing, or re-argument shall not be a prerequisite to judicial review.

700.12 A motion for reconsideration, rehearing, or re-argument of a final order in a rulemaking case shall not be accepted for filing or considered, except that a member of the Commission may initiate a motion for reconsideration up to thirty-five (35) days after the vote on the final action.

701 STAY OF FINAL DECISION AND ORDER

701.1 The Commission, on its own motion or the motion of a party or petitioner to the District of Columbia Court of Appeals, may order the effectiveness of a final decision and order of the Commission stayed, pending reconsideration or rehearing, *sua sponte* review, or appeal of the decision and order to the Court of Appeals.

701.2 Except for stays granted upon its own motion, the Commission shall grant a stay only upon finding all four of the following criteria are present:

- (a) The party seeking the stay is likely to prevail on the merits of the motion for reconsideration or rehearing, or the appeal;
- (b) Irreparable injury will result if the stay is denied;
- (c) Opposing parties will not be harmed by a stay; and
- (d) The public interest favors the granting of the stay.

702 VALIDITY OF APPROVALS AND IMPLEMENTATION

702.1 A first-stage approval of a planned unit development (PUD) by the Commission shall be valid for a period of one (1) year, unless a longer period is established by the Commission at that time of approval; provided that any approval scheduled to expire between April 27, 2020, and December 31, 2020, shall remain valid for a period of six (6) months from the date of expiration of the approval although this six (6) month extension shall run concurrently with any subsequent time extension and shall not be cumulative to that subsequent time extension.

702.2 A contested case approval by the Commission shall be valid for a period of two (2) years from the effective date of the order granting the application, unless a longer period is established by the Commission at the time of approval, within which time an application shall be filed for a building permit; provided that any approval scheduled to expire between April 27, 2020, and December 31, 2020 (including any campus plan approval, whether approved under the BZA or Zoning Commission rules of procedure), shall remain valid for six (6) months from the date of expiration of the approval although this six (6) month extension shall run

concurrently with any subsequent time extension and shall not be cumulative to that subsequent time extension.

- 702.3 Construction shall start within three (3) years after the effective date of the order granting the application, unless a longer period is established by the Commission at the time of approval; provided that this three (3) year period shall be extended by six (6) months for any construction deadline scheduled to expire between April 27, 2020, and December 31, 2020, although this six (6) month extension shall run concurrently with any subsequent time extension and shall not be cumulative to that subsequent time extension.
- 702.4 In granting second-stage or design review approval, the Commission may specify that the project be built in stages and shall specify the timing of the stages.
- 702.5 Previous approval of an application shall not be a binding precedent on a new application.
- 702.6 If no application for a permit is filed, construction has not started within the period specified, or no extension is granted, the approval shall expire, the zoning shall revert to the pre-existing regulations and map.
- 702.7 Following approval of an application by the Commission, the applicant may file an application for a building permit with the proper authorities of the District of Columbia.
- 702.8 The Zoning Administrator shall not approve a permit application unless the plans conform in all respects to the plans approved by the Commission, as those plans may have been modified by any guidelines, conditions, or standards that the Commission may have applied. Nor shall the Zoning Administrator accept the establishment of an escrow account in satisfaction of any condition in the Commission's order approving the PUD.
- 702.9 [DELETED]
- 702.10 For PUD cases, the Zoning Administrator shall not approve a permit application unless the applicant has recorded a covenant running with the land, found technically sufficient by the Zoning Administrator and legally sufficient by the Office of the Attorney General, in the land records of the District of Columbia by the owner or owners for the benefit of the District of Columbia, which covenant will bind the owner and all successors in title to construct on and use the property only in accordance with the adopted orders, or amendments thereof, of the Zoning Commission.
- 702.11 The orders of the Commission issued in accordance with this chapter shall have all the force of this title, and violations shall be prosecuted in accordance with the provisions of Subtitle A, Chapter 3 of this title.

702.12 A text amendment approved by the Commission shall be effective upon issuance of a final order.

702.13 If applicable, the Office of Zoning shall make the referenced changes to the official Zoning Map and other public documents within thirty (30) days of the final action by the Commission.

703 CONSENT CALENDAR – MINOR MODIFICATION, MODIFICATION OF CONSEQUENCE, AND TECHNICAL CORRECTIONS TO ORDERS AND PLANS

703.1 This procedure shall allow the Commission, in the interest of efficiency, to make, without public hearing, minor modifications, modifications of consequence, and technical corrections to previously approved final orders and plans.

703.2 For purposes of this section, “minor modifications” shall mean modifications that do not change the material facts upon which the Commission based its original approval of the application or petition.

703.3 For the purposes of this section, the term “modification of consequence” shall mean a modification to a contested case order or the approved plans that is neither a minor modification nor a modification of significance

703.4 Examples of modification of consequence include, but are not limited to, a proposed change to a condition in the final order, a change in position on an issue discussed by the Commission that affected its decision, or a redesign or relocation of architectural elements and open spaces from the final design approved by the Commission.

703.5 For the purposes of this section, a “modification of significance” is a modification to a contested case order or the approved plans of greater significance than a modification of consequence. Modifications of significance cannot be approved without the filing of an application and a hearing pursuant to Subtitle Z § 704.

703.6 Examples of modifications of significance include, but are not limited to, a change in use, change to proffered public benefits and amenities, change in required covenants, or additional relief or flexibility from the zoning regulations not previously approved.

703.7 In a rulemaking, any person may request a minor modification or technical correction by filing a written request on the form provided by the Director together with a copy of the rulemaking order.

- 703.8 In a contested case, only the applicant may request a technical correction, minor modification, or a modification of consequence to the order approving its application or to the approved plans using the form provided by the Director.
- 703.9 An application for minor modification approval shall be made in an appropriate manner provided by the Director.
- 703.10 The applicant shall furnish eight (8) copies of architectural drawings and two (2) copies of all other information required by the form at the time of filing the application, including the following:
- (a) A completed application form;
 - (b) The nature of, reason(s), and grounds for the minor modification, modifications of consequence, or technical correction; and
 - (c) A copy of any Commission final order, map, plan, or other action or relief proposed to be modified or corrected.
- 703.11 In a contested case, the filing of any modification request under this section shall not act to toll the expiration of the underlying order and the grant of any such modification shall not extend the validity of any such order.
- 703.12 The Commission, upon its own motion, may place a rulemaking matter on the Consent Calendar.
- 703.13 In a contested case, all written requests shall be served by the applicant on all parties in the original proceeding at the same time that the request is filed with the Office of Zoning. All written requests in a rulemaking case shall be served by the person requesting Consent Calendar placement upon the affected ANC.
- 703.14 The Director shall determine the appropriate form of public notice and any additional service, taking into account the nature of the request and any issues relating to efficiency and fairness.
- 703.15 In a contested case, within seven (7) days after a request to put a matter on the Consent Calendar for a minor modification or technical correction has been filed and served, any other party may file a response in opposition to or in support of the request. The responding party shall serve all other parties at the time that the response is filed with the Office of Zoning.
- 703.16 Responses for requests for modification of consequence shall be filed at the time specified by the Commission pursuant to Subtitle Z § 703.17.
- 703.17 The Commission may take one (1) of the following actions at a public meeting:

- (a) At the request of a Commissioner, remove an item from the Consent Calendar and direct the applicant to file an application for a modification of significance;
- (b) Grant or deny a request for a minor modification or technical correction; or
- (c) For a modification of consequence:
 - (1) Determine that the request is actually for a modification of significance and, in which case, direct the applicant to file an application for a modification of significance for which a hearing must be held pursuant to Subtitle Z § 704; or
 - (2) Establish a timeframe for the parties in the original proceeding to file responses in opposition to or in support of the request and for the applicant to respond thereto; and schedule the request for deliberations.

703.18 Any matter that is removed from the Consent Calendar shall be acted upon by the Commission according to the applicable procedures contained in other sections of this chapter.

704 MODIFICATIONS OF SIGNIFICANCE

- 704.1 An application for a modification of significance shall be filed using the form provided by the Director.
- 704.2 If the applicant had first requested the modification as a modification of consequence, the application fee paid in that case shall be credited against the fee required.
- 704.3 If the application is for the modification of a second-stage PUD, it shall meet the requirements for, and be processed as, a second-stage PUD application.
- 704.4 The scope of a hearing conducted pursuant to this section shall be limited to impact of the modification on the subject of the original application, and shall not permit the Commission to revisit its original decision.
- 704.5 The filing of any modification request under this section shall not act to toll the expiration of the underlying order and the grant of any such modification shall not extend the validity of any such order.

705 TIME EXTENSIONS

705.1 The provisions of this section apply in their entirety to applications for design review and planned unit developments (PUDs).

705.2 An applicant may request an extension of the time periods of an order for good cause upon the filing of a written request, before the expiration of the approval, documenting the following:

- (a) The extension request is served on all parties to the application by the applicant, and all parties are allowed thirty (30) days to respond;
- (b) There is no substantial change in any of the material facts upon which the Commission based its original approval of the application that would undermine the Commission's justification for approving the original application; and
- (c) The applicant demonstrates with substantial evidence one (1) or more of the following criteria:
 - (1) An inability to obtain sufficient project financing for the development, following an applicant's diligent good faith efforts to obtain such financing, because of changes in economic and market conditions beyond the applicant's reasonable control;
 - (2) An inability to secure all required governmental agency approvals for a development by the expiration date of the order because of delays in the governmental agency approval process that are beyond the applicant's reasonable control; or
 - (3) The existence of pending litigation or such other condition, circumstance, or factor beyond the applicant's reasonable control that renders the applicant unable to comply with the time limits of the order.

705.3 The Commission may at their sole discretion:

- (a) Grant the extension for no more than two (2) years, subject to their determination that the applicant has sufficiently evidenced compliance with the criteria in Subtitle Z § 705.2; or
- (b) Grant the extension for no more than two (2) years, subject to their determination that the applicant has sufficiently evidenced compliance with the above criteria but with applicable conditions that the Commission concludes are in the public interest and which will expire with the issuance of a certificate of occupancy for the project; or
- (c) Deny the extension request.

- 705.4 Only one (1) extension may be requested for a design review development approval.
- 705.5 An applicant with an approved PUD may request no more than two (2) extensions. The second request for an extension may be approved for no more than one (1) year.
- 705.6 A request for an extension of an approval may not be filed more than six (6) months prior to the expiration of the order.
- 705.7 The Commission shall hold a public hearing on a request for an extension of the validity of an application approval only if, in the determination of the Commission, there is a material factual conflict that has been generated by the parties to the proceeding concerning any of the criteria in Subtitle Z § 705.2. The hearing shall be limited to the specific and relevant evidentiary issues in dispute.
- 705.8 In the event an appeal is filed in a court of competent jurisdiction from an order of the Commission, the time limitations of Subtitle Z §§ 702.2 and 702.3 shall run from the decision date of the court's final determination of the appeal. Unless stayed by the Commission or a court of competent jurisdiction, an applicant may proceed pursuant to the order of the Commission prior to any such final determination.

706 EXPIRATION AND DISMISSAL

- 706.1 Any contested case application for which a public hearing has not been held before the Commission within two (2) years from the date of the application being filed with the Office of Zoning shall be deemed dismissed without prejudice.
- 706.2 A PUD for which a public hearing has not been held before the Commission within two (2) years from the date of when the Commission set the case down for public hearing shall be deemed dismissed.
- 706.3 All filing fees relative to a dismissed or expired application under this section shall be non-refundable and not applicable to any future consideration of any case.

CHAPTER 8 SUA SPONTE REVIEW

800 SUA SPONTE REVIEW BY ZONING COMMISSION

- 800.1 The provisions of this section shall apply to all Board of Zoning Adjustment appeals and applications, except chancery proceedings.
- 800.2 Within ten (10) days after the decision and order of the Board of Zoning Adjustment has become final as provided in Subtitle Y § 604.7, the Commission may, *sua sponte*, determine to review any final decision and order of the Board of Zoning Adjustment and stay the effect of the decision and order pending completion of its review.
- 800.3 The Commission's determination to review a decision and order of the Board of Zoning Adjustment shall be transmitted forthwith to the Director, who shall forward to the Commission the record in the case and serve notice of the Commission's determination to review the Board of Zoning Adjustment's decision and order upon all parties to the case.
- 800.4 Upon receipt of the record, the Commission shall review the case and take such action as it deems appropriate; provided, however, the Commission shall not reverse or modify any decision and order of the Board of Zoning Adjustment without affording the parties to the case an opportunity to present written statements to the Commission in support of or in opposition to the action of the Board of Zoning Adjustment.
- 800.5 Any action by the Commission may include, without limitation, any of the following:
- (a) Hearing argument based on the existing record in the case before the Board of Zoning Adjustment;
 - (b) Affirmance, modification, or reversal of the Board of Zoning Adjustment's decision and order; and
 - (c) Remanding the case to the Board of Zoning Adjustment for reconsideration, rehearing, or other action pursuant to the instructions of the Commission.
- 800.6 The *sua sponte* review process established in this section shall not grant any rights of appeal to the Commission.
- 800.7 Because there is no right of appeal to the Commission from any action of the Board of Zoning Adjustment, the Commission need not answer any communications to the Commission (regardless of the form) requesting that *sua sponte* review be undertaken. *Sua sponte* review is a discretionary internal process.

800.8 The Commission shall look to the following guidelines when determining whether to invoke its *sua sponte* review authority. The Commission may exercise *sua sponte* review as follows:

- (a) In a particular instance where it appears to the Commission that the Board of Zoning Adjustment has exceeded its authority and has thus in effect changed the zoning;
- (b) Where it appears that a basic policy of the Commission, as expressed in the Zoning Regulations, has been violated as a result of action by the Board of Zoning Adjustment; or
- (c) In an unusual instance, as determined by the Commission.

901 REMAND PROCEDURES

901.1 Upon receipt of a Court of Appeals mandate remanding a Commission decision, the Director shall request the Office of the Attorney General (OAG) to provide a memorandum that:

- (a) Summarizes the Court of Appeals holding;
- (b) Identifies the issues that must be decided on the remand; and
- (c) Provides such further information and analysis as to enable the Commission to comply with the remand instructions.

901.2 Following receipt of the OAG memorandum, the Commission may meet to determine whether it should request the parties to submit briefs, provide additional oral or documentary evidence, present oral argument, or to augment the record by other means.

901.3 If it is determined that any of these actions are needed, the Commission shall issue a procedural order identifying the actions required and the timeframe within which those action must occur. The order shall be sent to any party who participated in the earlier proceedings, or the party's authorized representative.

901.4 No new parties shall be added to the case, and the Office of Zoning shall not accept requests for party status.

901.5 If a further hearing is ordered, the procedural order shall be issued no earlier than fourteen (14) days prior to the date set for the further hearing. The Director may provide such other notice of the hearing, as he or she deems appropriate.

901.6 Testimony at any further hearing shall be limited to witnesses called by the parties, unless the procedural order states otherwise.

901.7 Once the Commission Chairperson believes that the record is sufficient to permit deliberation, the Commission Secretary shall distribute to each Commission member the case record and schedule the case for decision.

901.8 Any Commission member who did not participate in the original decision shall indicate that he or she has read the record as a prerequisite to participating in the remand deliberations.
